Highway 12-Jameson Canyon Overnight Lane Closures Scheduled For Week of September 9th

NAPA AND SOLANO COUNTIES – The California Department of Transportation (Caltrans), the Solano Transportation Authority (STA), and the Napa County Transportation and Planning Agency (NCTPA) are starting temporary road striping, and continuing with earthwork and safety barrier placement as crews work to widen Highway 12 through Jameson Canyon in Napa and Solano Counties.

One-Way Traffic Controls Starting Tuesday

To ensure worker and public safety, one-way traffic controls will be in effect on Highway 12 between Highway 29 and Red Top Road beginning Monday night, September 10th at 10 p.m. and be completed on Saturday, September 15th at 5 a.m.

Alternating lane closures will start Monday through Friday at 10 p.m. and conclude the following mornings at 5 a.m. During one-way traffic controls, one lane of traffic will remain open at all times with flaggers alternating eastbound and westbound traffic. All work is weather permitting.

The California Highway Patrol (CHP) will help direct motorists. Caltrans will also install changeable message signs. Motorists should allow for extra travel time.

Additional project information is posted on the Caltrans' Highway 12-Jameson Canyon webpage at: <http://www.dot.ca.gov/dist4/12jamesoncanyon/>
